

SCIENCE FAIR

APRIL 19th, 2018

In the cafeteria

1:30-3pm and again 6:30-7:30pm

Questions? Contact Holly Rikhof at holly.rikhof@comcast.net

See Andy Darring, Eagle Class, for tri-fold boards.

See Bruce Toomey, in the library, for resource help – he has a lot of books.

*Please return the bottom half to your classroom teacher or the main office by **April 6th**.*

Name: _____

Class: _____

My project is an investigation. *(An investigation starts with a yes or no question or a prediction (What do you think is going to happen?). You will then design a test, and collect data to present with the answer to your question.)*

My question is: _____

OR

My project is a model. *(A model shows how something works.)*
