

PATHFINDER K-8

High School Student Panel

Pathfinder staff and the PTSA are hosting a high school forum where former students can share their experiences with a number of high schools and provide you with some insight before open enrollment starts. Come join the discussion and get a chance to ask questions.

THURSDAY, JANUARY 17TH

6:00 PM - 8:00 PM PATHFINDER LIBRARY

Are you and your 8th grader curious about the different area high schools? As a 6th or 7th grade parent, do you want to know more about what the options are and what the students themselves experience?
