

Bully Behavior Report Form

Pathfinder K8 Bullying Definitions

K-3rd Grades: Bullying is unfair, one-way and repeated. It happens when someone keeps hurting, frightening, threatening or leaving someone out on purpose.

4/5th Grades: Bullying is unfair, one-way and repeated. It happens when someone keeps hurting, frightening, threatening or leaving someone out on purpose. This behavior can look like threats, gossip, taunting, teasing, rumors, a power imbalance or physically hurting someone.

6-8th Grades: Bullying is unfair, one-way and repeated. It happens when someone keeps hurting, frightening, threatening or leaving someone out on purpose. This behavior can look like threats, gossip, taunting, teasing, rumors, a power imbalance or physically hurting someone.

This includes identity shaming, body shaming, cyber and sexual bullying. Identity shaming is purposefully judging, threatening or bullying based on things like: family of origin, gender identity, sexual orientation, ethnicity, religion, mental illness, learning or physical disabilities. Body shaming is mocking, taunting, teasing or putting someone down based on their appearance, body size or shape. Cyber-bullying is using texting, email or social media to negatively target someone. Sexual bullying is unwanted, non-consensual verbal or physical interactions like sexual gestures, comments, physical touch or harassment.
